Two Stocks Dominate Trading

MONTREAL (CP)—Massey and Avro dominated trading on the Montreal and Canadian stock exchanges Friday and forced industrial trading to its highest volume this week. The rest of the market was irregularly higher with a firm undertone.

Massey common traded more than 30,000 shares and gained ¾ at 13⅝, a new high. The preferred was also active and up 7½ at 135½.

With the announcement in Ottawa of termination of Avro's Arrow jet interceptor, the stock dropped to 11½, a new low. It later recovered to 11¾, a loss of ½.

Papers, constructions, textiles, western oils and utilities showed advances. The beverages were lower.

In a mixed pipeline section Trans-Canada lost ⅝ at 27 and Trans Mountain gained ⅜ at 12¾.

The banks and steels were also mixed. The speculative mines and oils were irregularly higher in moderate trading.

Jet Blow to Roe

TORONTO (CP) — Industrials rallied for a moderate gain Friday amid the fastest trading in more than two weeks.

Two stocks featured the industrial list. Massey-Ferguson bounded ahead for a ¾ gain at 13⅝. Massey traded 50,510 shares, the heaviest industrial volume in a year.

A. V. Roe was hit by a wave of selling within an hour of the government's announcement of termination of the Arrow jet interceptor program. The stock lost ⅞ in an hour then recovered a fraction to close off ⅝ at 11¾. It traded 32,947 shares.

In pipelines Trans-Canada dipped ¾ and Interprovincial was off ½. Trans Mountain, however, added ½ at 12¾.

Head of the Lakes was the most active speculative, rising 2½ cents at 17½ cents on 359,000 shares traded. The stock was underwritten Friday.

Over the Top

NEW YORK (UPI) — The stock market made history when the industrial average cracked the magic 600-level for the first time. The new all-time high in the average was accompanied by increased volume.

Chemicals, steels, oils, metals, tires and numerous special issues featured the advance with individual gains running past 3 points in numerous instances.

The over-all upswing—the third straight session of rising prices—added more than $2,000,000,000 to market valuations. The total value of all listed stocks now is greater than the federal debt.

The strong features were Youngstown, U.S. Steel and National in the steels; Allied, Eastman Kodak and Thiokol in the chemicals; Kennicott, Magma and Reynolds in the non-ferrous metals; Southern Pacific and Virginian in the rails; Firestone and Goodyear in the tires; and Scott Paper, U.S. Gypsum, Ampex and Polaroid in the specials.
